Who is eligible for VAT relief? VAT law states that you must be 'chronically sick or disabled' to qualify for VAT relief. A person is 'chronically sick or disabled' if they have a physical or mental impairment that has a long-term and severe effect on their ability to carry out everyday activities. Or they have a condition that doctors treat as a chronic sickness (like diabetes, for example) Or they are terminally ill. If a parent, spouse or guardian acts on behalf of a 'chronically sick or disabled' person, your supply is treated as being made to that 'chronically sick or disabled' person.

I have read the above information and I claim that the supply of these goods is eligible for tax relief from value added tax under group 14 of the Zero Rated Schedule to the Value Added Tax Act 1983. I also agree that if this eligibility is disputed I will be totally responsible for any charges or reimbursement to the VAT authorities
